

Weekly Notes

Welcome to our church! We are glad you're here today! Whether you are joining us as a vacationer or someone who is looking for a church home, we hope that you enjoy our gathering time and sense God's presence. Here are a few things to get you connected:

infants and young children

Our safe and sanitary nursery is here to serve you. Infants ages birth-4 years old can be cared for and play in our supervised Nursery.

children

Children's Worship is a unique worship experience, designed specifically for ages 5 years old through 5th grade, starting at 10:30 AM in the Children's Worship Room. *(Children do not meet separately on the 1st Sunday of each month so families can celebrate Communion together.)*

finding your way around

If you need help locating any activities or rooms, please be sure to ask a greeter or someone at the Welcome Center.

introduce yourself

After the service, we invite you to stop by our Welcome Center and sign our guest book, have your questions answered, or receive more information about our church.

Happy Anniversary!...Dan & Tracy Marshall (7/22, 18 years).

Next Week's Servants (7/28)

ATTN: Members | Special Congregational Meeting TODAY... Please join us for a Special Congregational Meeting today after worship. It's been a year since the Special Meeting we had on 7-23-23, and the Leadership would like to give a financial update as well as inform everyone about some of the exciting things taking place with our partners - YDC/PAL and Caring Connections.

Washer/Gas Dryer Needed... If you're looking to upgrade your washer & gas dryer in the near future or have an old set in good working condition just taking up space, we have a family in need of a set. Please contact the office if you can help.

School Supplies Collection: Now thru 8/11... It seems crazy early, but we have been requested to do a school supplies collection for El Ayudante in Honduras for their upcoming school year [<https://elayudanteinhonduras.com/>]. Denise Hodge (daughter of Stan & Jean Robinson) who serves at this mission-based clinic asks that the backpacks be of good quality so they will last the entire school year. Other items needed are: spiral notebooks, dry erase markers, compasses, protractors, and packs of pens and pencils. We will be collecting items through Sunday, 8/11. Please consider making a donation if you are able. Thank you!

Flower Bed Maintenance Needed... We need help maintaining the church's flowerbeds. If you're willing to adopt-a-flower bed for the summer, please contact the church office or feel free to stop by the church at your convenience and pull weeds from whatever flowerbed catches your eye. If you contact us in advance, we can arrange for the shed to be open so you can get tools; otherwise feel free to bring your own.

Hearing Assistance Devices Available... We have hearing assistance devices available during the morning worship service which allow the user to control the volume based on their individual needs. They are available from the Sound Booth at the rear of the sanctuary and are cleaned and sanitized after each use. For questions, see Rocky Starland.

prayerREQUESTS&PRAISES

- **Alexis Kasinger** (a classmate of Olivia Price) who is recovering from serious injuries following a car accident.
- **Patty Bales** is recovering from foot surgery.
- **Sandy** (Tracy Quist's mom) has had cancer for 13 years and it has spread to her bones, lungs and brain. She is recovering from surgery to remove a brain tumor and is getting radiation treatments. Please pray for Tracy's mom and dad to put all hope and trust in God and to resist worry, that the treatment will help and her side effects will be minimal.
- **Donna Jinkins** (neighbor of Jean Robinson) continues to decline and the only hope for her is if she can have a liver transplant, and there is concern that she'd be strong enough for surgery if one even becomes available. Please keep her and her family in prayer.
- **Lennon McKamey** (son of Kyle & Sarah) needs surgery on his shoulder. Please pray that preparing for surgery goes smoothly.
- **Jean Pietrzak** (Sandi Starland's sister) is doing much better. She still has a neck brace and is using a walker while continuing physical therapy.
- **Joyce Bockock** continues to do well. Prayers for continued improvement and relief from pain are appreciated.
- Check out our monthly prayer card on-line at [southavenfbc.com](http://southhavenfbc.com) under "General Info" for a **list of those with on-going needs**.
