

Weekly Notes

Thank you for joining us for worship this morning! We are so glad you're here today. Whether you are joining us in-person, online, as a vacationer, or as someone who is looking for a church home, we hope that you enjoy our gathering time and sense God's presence. To help prevent the spread of germs, masks or face shields are required. In addition, we ask you to please refrain from hugging, shaking hands or touching others. To help with social distancing, we also have designated pews that we ask you to use. Thank you for your patience and understanding as we continue to adapt to these challenging times and try to keep everyone safe.

infants and young children

Parents are invited to use our Prayer Room (to the left of the sanctuary entrance) if they feel the need to remove themselves and their children from the Sanctuary. This room allows you to conveniently hear and observe the service.

children

Children's Worship is a unique worship experience, designed specifically for ages 5 years old through 5th grade, starting at 10:30 AM in the Gym. *(Children do not meet separately on the 1st Sunday of each month so families can celebrate Communion together.)*

finding your way around

If you need help locating any activities or rooms, please be sure to ask an usher!

introduce yourself

After the service, we invite you to stop by our Welcome Center and sign our guest book, have your questions answered, or receive more information about our church.

prayerREQUESTS and PRAISES

The Family of John Supp (friend of Molly Blaney-Dehmer) who passed away on 5/17 following a motorcycle accident.

Curt Bales is recovering from outpatient sinus surgery to help with infection and breathing issues.

Mary Buchert had a consultation on May 20 to see if she can have a cochlear implant. Her hearing has been greatly diminished.

The Family of Brian Cheville (friend of Ken & Tina Dell) who passed away on 5/13 following a battle with Covid.

Doug Zantello fell off scaffolding while working on Rob & Brandy's new house and broke his heel. Pray for minimal pain and a speedy recovery.

Taylor Brown (12 year-old great granddaughter of Frank & Mary Buchert, grandniece of Curt & Patty Bales) has been diagnosed with Aplastic Anemia. Great news is that her sister is a perfect match and the condition is not considered hereditary. Taylor's infection has been way down. She will start chemo on May 27 to get ready for the transplant. The transplant will take place on 6/2. She and one parent will then go to the Ronald McDonald House for 3 months. The parents can't switch places so whichever goes in must stay the full 3 months. We thank you for your prayers as they are working!

Jim Seagren (friend of Stan & Jean Robinson) is back in the hospital and the cancer has spread everywhere. Please pray for peace for him and his whole family.

Steve Follman is recovering from surgery for a total knee replacement.

Joe Collins (father-in-law of Kim Collins) continues to recover from lingering Covid side effects.

Check out our monthly prayer card online at southhavenfbc.com under "General Info" for a list of those with on-going needs.
