

Weekly Notes

Welcome to our church! We are glad you're here today! Whether you are joining us as a vacationer or someone who is looking for a church home, we hope that you enjoy our gathering time and sense God's presence. Here are a few things to get you connected:

infants and young children

Our safe and sanitary nursery is here to serve you. Infants ages birth-4 years old can be cared for and play in our supervised Nursery.

children

Children's Worship is a unique worship experience, designed specifically for ages 5 years old through 5th grade, starting at 10:30 AM in the Children's Worship Room. *(Children do not meet separately on the 1st Sunday of each month so families can celebrate Communion together.)*

finding your way around

If you need help locating any activities or rooms, please be sure to ask a greeter or someone at the Welcome Center.

introduce yourself

After the service, we invite you to stop by our Welcome Center and sign our guest book, have your questions answered, or receive more information about our church.

Freedom Celebration: Coordinating Supervisor Needed

For us to be able to pull off our hot dog giveaway during the fireworks, someone will need to serve as a Supervising Coordinator. This person(s) will be responsible for:

- Driving the church van and roaster trailer to the designated spot at Kid's Korner between 11:00pm and 12:00am Tuesday night, July 2.
- Staking off the area we will use in the park on Wednesday morning, July 3, between 6:00-7:00am.
- Returning to the park between 4:30-5:00pm for setup.
- Returning the van and roaster back to the church after the fireworks (which typically requires waiting to move until traffic has significantly cleared so the van and trailer can be easily maneuvered).

If you are available and interested in serving in this capacity, please contact the church office ASAP and no later than Sunday, June 9, so we can proceed with planning.

announcements

School Supplies Collection: Now thru 8/11...It seems crazy early, but we have been requested to do a school supplies collection for El Ayudante in Honduras for their upcoming school year [<https://elayudanteinhonduras.com/>]. Denise Hodge (daughter of Stan & Jean Robinson) who serves at this mission-based clinic asks that the backpacks be of good quality so they will last the entire school year. Other items needed are: spiral notebooks, dry erase markers, compasses, protractors, and packs of pens and pencils. We will be collecting items through Sunday, 8/11. Please consider making a donation if you are able. Thank you!

Flower Bed Maintenance Needed..We need help maintaining the church's flowerbeds. If you're willing to adopt-a-flower bed for the summer, please contact the church office or feel free to stop by the church at your convenience and pull weeds from whatever flowerbed catches your eye. If you contact us in advance, we can arrange for the shed to be open so you can get tools; otherwise feel free to bring your own.

Hearing Assistance Devices Available..We have hearing assistance devices available during the morning worship service which allow the user to control the volume based on their individual needs. They are available from the Sound Booth at the rear of the sanctuary and are cleaned and sanitized after each use. For questions, see Rocky Starland.

prayerREQUESTS&PRAISES

- **Donna Jinkins** (neighbor of Jean Robinson) continues to decline and the only hope for her is if she can have a liver transplant and there is concern that she'd be strong enough for surgery if one even becomes available. Please keep her and her family in prayer.
- **Cookie** (Gena Poole's aunt) who is recovering from surgery to remove blood from the outside of her brain. Pray for Gena as this has added more to an already full plate for her!
- **Lennon McKamey** (son of Kyle & Sarah) needs surgery on his shoulder due to two tears on his left labrum. He has an appointment on 6/18 and hopes to have surgery soon after.
- **Jean Pietrzak** (Sandi Starland's sister) is recovering from a fall in which she injured her neck. She's in trauma care with orthopedic and neurology care.
- **Bruce Ferguson** had his medications adjusted and is continuing with his doctors for further treatment.
- **Nolan Marshall** has sporadic, intense behavioral issues due to the diagnosis and continues treatment to manage symptoms.
- **Miriam Bryant** is receiving therapy for hip issues.
- **Vincent Bryant** (son of Miriam Bryant) is dealing with multiple health issues: blood clots which are interfering with his dialysis treatments; continues to recover from a 2nd surgery on his left hand which resulted in one finger being amputated; issues with an ankle that prevent him from driving.
- **Anna Bock** has Epstein Barr in addition to one strain of Lyme. She is waiting for next month's treatment to be done, will then take another blood test to see how the treatment performed, and once the tests come back she will hopefully be able to move forward with the Lyme disease treatments.
- **Caroline Bock** is having some symptoms resurface so she will need to have more treatments. They are waiting for her most recent test results to come back, so they can determine which strain of Lyme's needs to be treated next.
