

Weekly Notes

Thank you for joining us for worship this morning! We are so glad you're here today. Whether you are joining us in-person, online, as a vacationer, or as someone who is looking for a church home, we hope that you enjoy our gathering time and sense God's presence. All of our gatherings and facilities are mask-optional. We ask you to please refrain from hugging, shaking hands or touching others and be sensitive to those who may not want to have physical contact. To help with social distancing, we have designated pews that we ask you to use.

infants and young children

Parents are invited to use our Prayer Room (to the left of the sanctuary entrance) if they feel the need to remove themselves and their children from the Sanctuary. This room allows you to conveniently hear and observe the service.

children

Children's Worship is a unique worship experience, designed specifically for ages 5 years old through 5th grade, starting at 10:30 AM in the Gym. *(Children do not meet separately on the 1st Sunday of each month so families can celebrate Communion together.)*

finding your way around

If you need help locating any activities or rooms, please be sure to ask an usher!

introduce yourself

After the service, we invite you to stop by our Welcome Center and sign our guest book, have your questions answered, or receive more information about our church.

announcements

*** MASK UPDATE ***

In response to recent state and federal mask recommendation changes that vaccinated individuals may now enter public spaces without a mask, we are making all of our gatherings and facilities **mask-optional**. For the time being, we are still asking that everyone maintain a safe distance from one another as an added precaution. Our desire is to both honor those who have chosen to get vaccinated by allowing them to attend mask-free (if they so desire) as well as respect those who have chosen not to receive a vaccination. We ask that everyone respect one another's personal convictions. In addition, please be sensitive to those who would rather not engage in physical greetings. As always, our first goal is to maintain the unity of Christ while also making every effort to equip one another to live out our faith.

Happy Birthday!...Barrett Hagger (6/14); Kyle McKamey and Brandon Follman (6/18).

prayerREQUESTS and PRAISES

Ben & Marge Benham and Dean & Linda Newell and their families upon the death of Marge's sister-in-law and Linda's aunt, Carol Whittington, who passed away suddenly on 6/7. This was very unexpected and they are all struggling with the loss.

Frank Buchert has been admitted to the hospital. He was having some aches and pains and was staying in bed for this past week and is now very weak. Once he has regained some strength, he will be moved to rehab at Meadow Woods Nursing Home in Bloomingdale.

Taylor Brown (12 year-old great granddaughter of Frank & Mary Buchert, grandniece of Curt & Patty Bales) has been diagnosed with Aplastic Anemia. The bone marrow transplant went very well. The faster the stem cells bond, the faster she will get better. Pray for a speedy recovery, successful results, and for Taylor and her parent who will be at the Atlanta Children's Hospital for the next three months because her immune system is so low.

Doug Zantello is recovering from foot surgery. Pray for minimal pain and a speedy recovery.

The Family of John Supp (friend of Molly Blaney-Dehmer) who passed away on 5/17 following a motorcycle accident.

Mary Buchert had a consultation on May 20 to see if she can have a cochlear implant. Her hearing has been greatly diminished. She is waiting for additional information.

The Family of Brian Cheville (friend of Ken & Tina Dell) who passed away on 5/13 following a battle with Covid.
